Spring trend

Farrow & Ball have released their latest 2012 colour trends. Key looks this season are colour combinations such as blue/greys and delicate purples paired with brighter colours in dynamic combinations. Visit www.farrow-ball.com for details.

Visit www.harrisbrushes.com for the latest paint brush technology. The ID Gel Oval has longer length synthetic filaments, unique double sided gel inserts for added comfort, and a rust resistant stainless steel ferrule.

ECO FRIENDLY

For something a little different this Mother's Day, why not let off an eco friendly sky lantern or two. These versions from The Last Detail are laboratory tested in the UK. They are sold fully assembled with a solid fuel wick made from paper that is coated in a non toxic candle wax. The lantern itself is made from fire retardant paper; they are completely wire free and fully biodegradable. 94 x 56cm fully inflated, £2.95 each, The Last Detail, 0845 680 4084, www.thelastdetail.co.uk. The lanterns should only be lit in a wide open space and handled by adults.

LIGHT FANTASTIC

Looking for a ceiling light that combines the right amount of bling without being OTT? The latest Deco inspired chandeliers from Laura Ashley could fit the bill. The Aria ceiling pendant (above left) costs £115, and the large Vienna ceiling pendant (above right) £260. Laura Ashley, 0871 983 5999, www.lauraashley.com.
