NOW THIS is a chair that would be just perfect for the latest James Bond villain. The Caped Wing Chair from interior designer Louis Henri certainly makes a statement. It's part of his new furniture collection which includes pieces that are both practical and quirky. T: +44 (0)207 622 8343 | www.louishenri.com

THIS STRIKING combination of pieces from John-Richard shows some of the company's designer favourites. The Arapahoe sideboard called Antler, the simple accessories, a stylish table lamp and a picture by Jackie Ellens T: 001 662 453 5809 (US) | T: +44 (0)120 271 7017 (UK) www.johnrichard.com

HILL HOUSE Interiors certainly had plenty to celebrate as they took home the trophy for Best Residential Interior Design Project Under £1m for their London Riverside Penthouse project at the SBID International Design Awards. The tailored scheme for an exclusive penthouse apartment, is an opulent mélange of the most luxurious of materials and furnishings. T: +44 (0)207 589 5911 | www.hillhouseinteriors.com

THESE NEW Valletta encaustic floor tiles from Fired Earth are handmade in Morocco and are named after a home in central Valletta in Malta. They are available in five different striking patterns and vibrant colour combinations. T: +44 (0)129 581 4396 | www.firedearth.com
